

Do you struggle with...

- Effective parenting?
- Unplanned pregnancies or family planning?
- Finishing high school or starting college?
- Maintaining healthy relationships?
- Substance abuse?
- Paying bills or creating a budget?
- Finding or maintaining a job?
- Getting your license, finding transportation?
- Connecting with other young moms like you?

Families Learning Together (FLT) helps young moms in their teens and 20s learn job, parenting, and life skills while setting and meeting education and employment goals.

Get support with parenting and learn child care skills.

Our Mission

To enhance the ability of young mothers to parent their children well, by increasing job readiness, education, life skills, parenting skills and knowledge of child development.

We offer:

- Onsite child care for children birth-18 months of age
- Onsite work experience
- Academics leading to a high school diploma or equivalent
- Counseling on-site and at home
- Many support group opportunities
- Availability of crisis intervention
- Incentives for participation
- Transportation to our program
- Professional staff along with interns and volunteers
- Nutritious lunches

Learn to make and sell jewelry to benefit FLT.

So that you can:

- Identify and address barriers to success
- Attain a high school diploma or equivalent
- Increase basic literacy
- Enroll in post secondary education
- Develop job skills through work experience
- Secure and maintain employment
- Increase your knowledge of child development and confidence in parenting
- Understand and enjoy the relationship with your child
- Accept responsibility and honor commitments
- Have pregnancies that are planned and children that are supported both emotionally and financially
- Learn how to access community support services
- Develop a network of supportive relationships
- Learn about yourself and build on your strengths

Learn about nutrition and cooking.

Participant Quotes

“The Family Place has given me a new appreciation for myself and the people around me.”

“FLT has given me faith in myself and now I know I can do it!”

“The FLT program is like a family. Support that you may not get at home, you can get through this program.”

Improve your computer skills and gain job skills.
